INTRODUCTION

The purpose of this circular is to provide you with (i) the notice of Annual General Meeting; (ii) all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolutions in relation to the Proposed Issue Mandate and the Proposed Repurchase Mandate; and (iii) information relating to the re-election of Directors.

LETTER FROM THE BOARD

PROPOSED ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable to issue any Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for a general mandate to issue Shares. At the Annual General Meeting, an ordinary resolution numbered 5(A) will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to allot, issue and otherwise deal with the additional Shares up to 20% of the aggregate number of issued Shares as at the date of passing of the resolution in relation to such general mandate. In addition, subject to a separate approval of the ordinary resolution numbered 5(C), the number of issued Shares repurchased by the Company under the ordinary resolution numbered 5(B) will also be added to extend the 20% limit of the Proposed Issue Mandate as mentioned in the ordinary resolution numbered 5(A). The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Proposed Issue Mandate.

The Proposed Issue Mandate, if granted, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

As at the Latest Practicable Date, the number of issued Shares was 5,199,524,031 Shares of nominal value of HK\$0.02 each. Subject to the passing of the resolution approving the Proposed Issue Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue a maximum of 1,039,904,806 Shares.

PROPOSED REPURCHASE MANDATE

In addition, an ordinary resolution numbered 5(B) will be proposed at the Annual General Meeting to approve the granting of a Proposed Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the aggregate number of issued Shares as at the date of passing of the resolution approving the Proposed Repurchase Mandate.

The Proposed Repurchase Mandate, if granted, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

As at the Latest Practicable Date, the number of issued Shares was 5,199,524,031 Shares of nominal value of HK\$0.02 each. Assuming that there is no change in the number of issued Shares between the period from the Latest Practicable Date and the date of passing the resolution approving the Proposed Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Proposed Repurchase Mandate will be 519,952,403 Shares.

APPENDIX I DETAILS OF DIRECTORS PROPOSED FOR RE-ELECTION

Save as disclosed herein, there is no other matter in relation to the above Directors that needs to be brought to the attention of the Shareholders and there is no information relating to them which is required to be disclosed pursuant to any of the requirements of Rule 13.51(2)(h) to (v) of the Listing Rules.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 5,199,524,031 Shares of nominal value of HK\$0.02 each. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 519,952,403 Shares which represent 10% of the number of issued Shares during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws or regulations or the Articles of Association; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Companies Law.

The Directors would only exercise the power to repurchase Shares in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Proposed Repurchase Mandate were to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2021, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL MATTERS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates (as defined in the Listing Rules), currently intends to sell any Shares to the Company or its subsidiaries, if the Proposed Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she or it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is exercised.

TAKEOVERS CODE IMPLICATIONS

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, each of Boyce Limited and Capevale Limited ("**Capevale BVI**"), both of which are incorporated in the British Virgin Islands, was interested in approximately 31.97% of the issued Shares. Boyce Limited and Capevale BVI are the wholly-owned subsidiaries of Capevale Limited, which is incorporated in the Cayman Islands and Cititrust Private Trust (Cayman) Limited (in its capacity as the trustee of the Trust) is the legal owner of 100% of the shares in the issued share capital of Capevale Limited (incorporated in the Cayman Islands). Cititrust Private Trust (Cayman) Limited holds these shares under the Trust for the benefit of the beneficiaries of the Trust, including Ms. Zhang. Ms. Zhang is taken to have an interest in a total of approximately 63.93% of the issued Shares as at the Latest Practicable Date. In the event that the Directors should exercise in full the Proposed Repurchase Mandate, the shareholding of Ms. Zhang in the Company will be increased to approximately 71.03% of the issued Shares, assuming there will be no change in the issued Shares. To the best knowledge and belief of the Directors, such increase will not give rise to an obligation to make a mandatory offer under the Takeovers Code.

In the event that the Directors exercise in full the Proposed Repurchase Mandate to repurchase Shares, the shareholding of each of Boyce Limited and Capevale BVI will be increased from approximately 31.97% to approximately 35.52% of the issued Shares, assuming there will be no change in the issued Shares. Such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate.

The Directors have no present intention to repurchase the Shares to an extent that will trigger the obligations under the Takeovers Code for Boyce Limited and Capevale BVI to make a mandatory offer.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued Shares would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company during the six months preceding the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the 12 calendar months preceding the Latest Practicable Date were as follows:
